STATUS REPORT OF DISTRIBUTIONS OF REPAID ATTORNEYS' FEES

Pursuant to the Court's April 21, 2025 Order, Class Counsel hereby provides a status update regarding distributions of the repaid attorneys' fees. The following is based on representations made to Class Counsel by the claims administrator.

Based on the distributions for the original fee award, there were 147 class members requiring payment in the *Health Republic* Non-Dispute Subclass, and 132 class members requiring payment in the *Common Ground* Non-Dispute Subclass, for a total of 279 payments across the two subclasses.

As of May 14, 2025, the claims administrator made 272 payments (144 payments for *Health Republic* class members, and 128 payments for *Common Ground* class members). The seven remaining payments are pending verbal verification of account details and/or on hold due to incomplete account details. The claims administrator is continuing to actively follow up with all outstanding primary contacts and, as needed, researching additional contact information where it has not been able to reach a representative to date. Class Counsel is providing whatever assistance it can for this process, including approving updates to irrevocable instruction letters and identifying updated contact information to the claims administrator.
